DUTIES: Under the supervision of a Senior Civil Engineer, the Civil Engineer serves as the project lead for public works construction projects; taking responsibility for planning, surveying, design, estimating, preparation of plans and specifications, and construction inspection. Project work includes the design of boat ramps, docks, marinas, parking areas, small structures, sewer and water utilities, electrical utilities, roads, minor landscape and irrigation and other public recreational boating facilities at sites located throughout California. Other duties involve Local Assistance and Capital Outlay project site investigations, engineering report writing, design consultant oversight, and coordination with other government agencies, contractors and material suppliers. The duty level and responsibilities for this position will be greater or lesser depending on the level hired.

DESIRABLE QUALIFICATIONS: For Assistant and Associate level applicants, some experience in the preparation of engineering designs and conceptual layouts, environmental and permit applications, and budget documents. Knowledge and experience in AutoCAD, MS Word, MS Excel, MS Project, the California Building Code, and the bidding process. For all applicants: good oral and written communication skills; availability for periodic overnight travel; ability to work well with others; interest in recreational boating.

WHO MAY APPLY: Applications will be accepted from current state employees at the Junior Civil Engineer, Assistant Civil Engineer, or Associate Civil Engineer level, individuals who have list eligibility, or those seeking reinstatement. All applications will be reviewed; however, only the most qualified candidates will be interviewed. ***All applicants must clearly indicate the basis of their eligibility (i.e., reinstatement, transfer, or list eligibility) on the state application.***

ALL APPOINTMENTS ARE SUBJECT TO THE STATE RESTRICTION OF APPOINTMENT (SROA) PROVISIONS

This position has been designated in the Department's Conflict of Interest Code under Category 2. Therefore the successful candidate must file a Form 700 (Statement of Economic Interests) upon appointment and annually thereafter.
